020

FRANK CASTLE was once a decorated Marine officer, an upstanding citizen and family man. Then his family was violently taken from him when they were accidentally killed in a mob hit. From that day on, Frank Castle shed his old identity and became a force of cold, calculated retribution and vigilantism known as

THE PUNISHER

PREVIOUSLY

As the multiverse collapses, Frank faces the death of everything the only way he can: punishing those who deserve it. Namely, the Black Dawn Fighters, a terrorist group taking and killing American hostages, one of whom was a former associate of Frank's. With the end very much nigh, Frank infiltrates the Black Dawn base, preparing to unleash his own apocalypse.
